

Bring the soul of southern Spain to your community with inspired performances by Zorongo Flamenco dancers and musicians! Zorongo is now accepting bookings for youth performances of Tra Ti Ti Tran Tran Toro.

Zorongo Flamenco Dance Theatre is now touring “Tra Ti Ti Tran Tran Toro”, a multimedia flamenco puppet theater treat for the family!

Through traditional flamenco song and dance, you’re introduced to three loveable puppets. A bull, Torito, whose owner Carmencita, is a famous flamenco dancer, meets a Minnesota tourist, Olie Olson Ole, at the Feria (a fair) in Sevilla. They fall in love, marry and move to Olie’s farm in Minnesota. Children will be introduced to the basic elements of flamenco dance, rhythm and song while gaining an appreciation of what it means to immigrate to a new country.

This will be an ideal addition to your current programming and a wonderful cultural piece to your season of programs. Zorongo is flexible in its technical needs. Please contact us for information regarding tech requirements. *Go to www.zorongo.org to view video of “Tra Ti Ti Tran Tran Toro” and other Zorongo performances.*
